

## About Us

Established in the year 2000, Alchemy Overseas has been a manufacturer and exporter of quality wooden furniture across the world. We have an exclusive team of designers and craftsmen, who build every piece of furniture with attention to detail and with superior construction. We specialize in a wide range of wooden items and have created several custom designs in the past to cater to our clients' individual needs. We value honesty and building a long term business relationship with our clients by catering to our their needs at every step. We also enforce stringent quality checks on behalf of our customers to manufacture the highest quality products and at the most reasonable prices, to ensure that our clients are completely satisfied in doing business with us.
